

## POSITIVE RITES

### Celebrating the Lord's Supper with people living with HIV

Some Christian communities have a formal celebration of 'the Lord's Supper'. This is often referred to as the Eucharist, Holy Communion or the Mass by Catholics. The following prayers can be adapted for celebration of the Lord's Supper.

#### 1. CELEBRATING THE LORD'S SUPPER WITH PEOPLE LIVING WITH HIV/AIDS

##### Penitential Rite:

God calls us as a people where all are valued. We are called to bear witness to the Good News that no-one is a stranger or an outsider; that in Jesus all division and separation has been broken down. We are called to be one people and yet hardness of heart, discrimination and oppression prevent us from being whom God call us to be.

For this we seek forgiveness.

God of mercy and compassion, we often misrepresent you as a God of anger, yet you are the God of love, raising us all to life: and so we ask:

*R. JESUS, REMEMBER ME WHEN YOU COME INTO YOUR KINGDOM. (Said/sung - Taize)*

Lord Jesus, you banish the fear and uncertainty that holds us back, in responding to the needs of all who are living with HIV. When we falter, encourage us and strengthen us; and so we ask:

*R. JESUS, REMEMBER ME WHEN YOU COME INTO YOUR KINGDOM. (Said/sung - Taize)*

Spirit of unity, you build us up when we fall down; you gather in when we exclude; you affirm when we condemn; and so we ask:

*R. JESUS, REMEMBER ME WHEN YOU COME INTO YOUR KINGDOM. (Said/sung - Taize)*

##### Opening Prayer:

God, our Creator and Redeemer, by your power Christ conquered death and returned to you in glory. May all your people who have gone before us in faith share His victory and enjoy the vision of your glory for ever, where Christ lives and reigns with you and the Holy Spirit, one God for ever and ever. Amen.

##### Liturgy of the Word:

Suggested readings:

Romans 8: 31-35, 37-39, or Apocalypse 7: 9, 14-17.

# POSITIVEFAITH

John 6: 37–40 or Mark 5: 25–34.

## Bidding Prayers:

Creator God, open our hearts and minds to see you not only in power and glory, but also in weakness and rejection, so that as we pray, we may have that mind in us which was in Christ Jesus who walked as a poor man among us for our sake.

We pray that in the midst of this world and before the eyes of all people with whom we are united in our common humanity, we may live the good news of God's reign.

*R. LORD, IN YOUR MERCY, HEAR OUR PRAYER.*

We give thanks for the Gospel of healing, wholeness and liberation which is preached to the whole Christian community through the lives of those living with HIV. We pray that we may be open to receive this gift.

*R. LORD, IN YOUR MERCY, HEAR OUR PRAYER.*

As we listen to the words of all who live with HIV, may we become more aware of their hopes and needs. May we recognise that as one part of the body is gifted with life, healing and wholeness, so is the whole.

*R. LORD, IN YOUR MERCY, HEAR OUR PRAYER.*

We remember all those in this country and across the world living with HIV. We give thanks for all who care for people living with HIV. We pray for all those involved in research and medical care that in their work they may always respect the precious dignity of the human person.

*R. LORD, IN YOUR MERCY, HEAR OUR PRAYER.*

We remember those who have died and whose faith is known to God alone.... (members of the congregation are invited to name silently or aloud those they wish to pray for).

*R. LORD, IN YOUR MERCY, HEAR OUR PRAYER.*

As we prepare to share the gifts of God for the people of God, may we recognise that it is the body of Christ living among us, living among us with HIV. It is the image of Christ that is forgotten in prejudice and discrimination. May our prayers in this celebration of the Lord's Supper enable us to see in all of those affected by HIV, a the place where God is most powerfully at work, in Jesus Christ our Lord . Amen.

## Prayer over the Gifts:

Lord, receive the gifts we offer to win peace and rest for our brothers and sisters. By this celebration of the Lord's Supper, which reminds us of our liberation and salvation, count them among those whom you have freed from death. We ask this through Christ our Lord. Amen.

# POSITIVEFAITH

## Prayer after Communion:

Lord, we receive your promise of liberation and salvation which we call to mind in this celebration of the Lord's Supper. May this celebration be the sign of your loving care and mercy for your people on earth, and a source of eternal joy for our departed sisters and brothers. We ask this in the name of Jesus the Lord. Amen.

## Blessing and Dismissal:

The heritage of GOD's kingdom is prepared for you and for all people who seek the Lord and serve him where he has declared his presence, especially amongst those in need. I invite you now to declare your readiness to serve Christ in the many faces of HIV.

We promise to serve the Lord as he taught us: in all women and men, especially those who are considered the least of his sisters and brothers, so that sharing his poverty and labour, we may also share his glory.

May almighty God bless you, the Father, the Son and the Holy Spirit.  
Amen.

## 2. SHARED RIGHTS - SHARED RESPONSIBILITIES

### Introduction:

As people of God we are conscious of our unity, not only through our baptism, but through our common humanity. In the Body of Christ we recognise that each part of the body is different yet inter-dependent. When we say that the Body of Christ is living with HIV we affirm our belief that Christ takes to himself all our fears, our hurts, our anxieties, our hopes and our joys. We, members one of another, share with our sisters and brothers who live with HIV a common commitment to promote the human dignity and rights of all through our shared responsibility.

### Penitential Rite:

Reader: I saw all the oppressions that are committed under the sun... the tears of the oppressed and they had no one to comfort them! On the side of their oppressors there was power and they had no one to comfort them. (Eccles. 4:1).

Celebrant: When as a faith community we have abused our power, failing to confront the many faces of oppression, particularly those which discriminate against or stigmatise those who live with HIV: Lord, have mercy (or similar)

All: Lord, have mercy.

Reader: You are the ones who destroy the vineyard, hiding what you have stolen from the poor. By what right do you crush my people, grinding the faces of the poor? (Is. 3: 14/15)

# POSITIVEFAITH

Celebrant: When we fail to challenge the inequality and injustice which prevent us from living positively with HIV: Christ, have mercy

All: Christ, have mercy.

Reader: God's spirit is upon us, for we are anointed to bring good news to the poor, to bind up the broken hearted, proclaim liberty to captives, release to prisoners, to comfort all who mourn, to lighten a heavy heart. (Is. 61: 1-3)

Celebrant: For our failures to recognise our shared responsibilities, and our selective acknowledgement of others' rights and dignity: Lord, have mercy

All: Lord have mercy.

## Opening Prayer:

Creator God, you have given all peoples one common origin, gathering us as one family in yourself. Fill our hearts with the fire of your love and the desire to ensure justice for all our sisters and brothers. By sharing the good things you give us, may we secure justice and equality for every human being, an end to all division, and a human society built on love and peace. We ask this through our Lord Jesus Christ. Amen

## 4. SERVICE OF ANOINTING AND STRENGTHENING FOR PEOPLE WITH LIVING WITH HIV

### Introduction:

Throughout the scriptures, the God of our ancestors has always been revealed in powerful signs and works. Through such events Christ called His disciples to be a community of love. In praying together, in sharing all things, and in caring for the burdened in their fellowship, they recalled His words: "In so far as you did this to one of these, you did it to me". We gather today to witness to the risen Christ in His healing power, that through this Celebration of the Lord's Supper and Anointing we may all be restored to health and wholeness, and anointed for service.

### Blessing and Sprinkling of Water:

God's gift of water brings life to all creation and revives us in body and spirit. As we celebrate today we remember especially our baptism, and we seek to renew our lives with God's Spirit in our hearts, minds and actions.

Celebrant: Let us ask God to bless this water and keep us faithful to the Spirit He has given us:  
God our Creator, hear the prayers of your people: We celebrate our creation and redemption.  
Hear our prayers and bless this water which gives fruitfulness to the fields, and nourishes the Earth  
Hear our prayers and bless this water which gives and refreshment and cleansing to your people.  
You chose water to show your goodness when you led your people to freedom through the Red Sea and satisfied their thirst in the desert with water from the rock.  
Water was the symbol used by the prophets to foretell your new covenant with the people you had chosen.  
You made the water of baptism holy by Christ's baptism  
in the  
holiness. Jordan: by it you give us a new birth and renew us in

## Liturgy of Strengthening and Anointing:

The Jewish/Christian tradition used the rite of anointing at many important points in the lives of individuals and communities. In its most basic forms it is used to strengthen: both for healing, for wholeness and for service. We are reminded that Jesus' acts of healing demonstrated that illness could be an occasion to show God's mercy and love for His people, and not a sign of punishment. We now seek that love and life of God without which we cannot be whole. Strengthened with the Spirit's anointing we set out to preach good news whatever our situation.

*During the following litany the oil is blessed:*

Litany: Let us pray to God for our sisters and brothers and for all those who devote themselves to caring for them.

All: Lord in your mercy, hear our prayer / or sung response.

Your unfailing power gives us strength in our bodily weakness.

Almighty God,  
come to our aid and bless this oil  
which has been set apart for the healing and  
strengthening of your people. May the prayer of faith and  
the anointing with oil free them from every affliction and  
bring them courage and peace.

We ask this through Christ our Lord.

## Anointing and Strengthening:
